Karan Johar confirms news about being blessed with twins

Samina Shaikh | Updated: Mar 5, 2017, 09:52 AM IST

Last night, Mumbai Mirror reported that filmmaker Karan Johar was blessed with twins a month ago. The registration of the babies was done by BMC officials and they confirmed the news. The twins are named as - Yash and Roohi by the director.

Confirming the news, Karan Johar released an official statement. The director said, "I am ecstatic to share with you all the two most wonderful additions to my life, my children and lifelines; Roohi and Yash. I feel enormously blessed to be a parent to these pieces of my heart who were welcomed into this world with the help of the marvels of medical science.

This was an emotional yet well thought out decision which I have taken after considering all the responsibilities and duties that come with being a parent. In order to arrive at this decision, I have prepared myself mentally, physically, emotionally and logistically to ensure that my children get all the unconditional love, care and attention from me and mine. I have submitted to the fact that my children are my world and priority. My work, travels and social commitments would have to take a back seat and I am prepared for that. By the grace of God, I have the most caring and supportive mother who will be an integral part in the up-bringing of her grandchildren and of course, friends who are family.

Because of his money bought fatherhood and its joys and fulfillment for himself but what about the children. When they will grow up, go to school and see other children being loved by their mothers will they not think why were they deprived of this and by whom their own father did this to them. Will they feel privileged or most unfortunate to be this man's children ? He will provide for them everything but cannot give them their mother and her love. I do not know why i feel so negative about this ... [Read More](#)

Karan is their ammi and Shahrukh their abbu. Only puzzle here is why he named the son Yash and not Bash as in Bashir. Roohi will be the future heroine for one of his love Jihad movies, probably opposite Taimur Ali Khan. LMAO.

I think very unfair to these children. Because this man does not need a woman in his life he deprived those children of the most beautiful relationship which is their mother. No number of highly qualified nannies can provide motherly love to a child. Because of his money he will be able to buy anything for them but not the mamta they will long for rest of their lives. This man is cruel he forced those children to live without a mother or will bring a step mother which is not even close to having ... Read More

What is your opinion about mothers who sell daughters to harems for money and fathers who molest their daughters for years? Would you consider them loving parents compared to KJo? What rot you speak. I am not a KJo fan, but you speak such s***t! Do all widows and widowers with kids marry? Single parents often love their kids with a much larger heart and give them quality time compared to many working mothers in today's times who don't have time for their children and have nannies. You are so far ... Read More
