Karan Johar is now a father of twins!

WOW! This is huge! Bollywood's biggest filmmaker, Karan Johar is now a proud father of twins. Karan has been blessed with twins with the help of surrogacy.

What'll melt your heart even more is that he's named his babies after his parents. The baby boy is Yash and the baby girl Roohi (the backward pronunciation of Hiroo)

Karan has time and again expressed his desire to have kids and how much he loves them. This is what he had to say about the big news, "I am ecstatic to share with you all the two most wonderful additions to my life, my children and lifelines; Roohi and Yash (also his father's name). I feel enormously blessed to be a parent to these pieces of my heart who were welcomed into this world with the help of the marvels of medical science. This was an emotional yet well thought out decision which I have taken after considering all the responsibilities and duties that come with being a parent. In order to arrive at this decision, I have prepared myself mentally, physically, emotionally and logistically to ensure that my children get all the unconditional love, care and attention from me and mine. I have submitted to the fact that my children are my world and priority. My work, travels and social commitments would have to take a back seat and I am prepared for that. By the grace of God, I have the most caring and supportive mother who will be an integral part in the up-bringing of her grandchildren and of course, friends who are family. I am eternally grateful to the surrogate who has fulfilled my lifelong dream and provided a warm, loving and nurturing environment to my

Our heartiest congratulations to Karan! We can't wait to see 'em cuties!

Sonam Kapoor shows us why Dubai is Paradise city

1 / 1

(<http://www.filmfare.com>) and her producer sister Rhea Kapoor raided the Dubai Mall empty making the most of the lustworthy designer stores and indulging their inner shopaholics. It didn't just end there. The Filmfare awardee then took off on a picturesque yacht ride across the Dubai Canal where she took over from the captain. And let's not even mention the luxurious sea-facing cabana the Kapoor sisters were put up at. Pure heaven. Check out Sonam's vacay diaries...

Shah Rukh Khan is all set to play Wolverine but there is one problem

In a recent interview, Hugh Jackman said he'd like to see Shah Rukh Khan play Wolverine ([hyperlink](#)). He'd said, "I hope other people play it. Maybe Shah Rukh Khan can play it." And everyone was waiting with bated breaths for King Khan's witty reply and mind you, we weren't disappointed.

The superstar took to Twitter and replied to a tweet about the same stating that he's waiting for his chest hair to grow. LOL!
